**BRANDON REGIONAL  
HEALTH AUTHORITY**

*December 31, 2010*

## INDEPENDENT AUDITOR'S REPORT

To the Office of the Auditor General – Province of Manitoba

To the Board of Directors  
Brandon Regional Health Authority

We have audited the Statement of Public Sector Compensation Disclosure of the Brandon Regional Health Authority for the year ended December 31, 2010 ("the Statement"). This Statement has been prepared by management based on the provisions of The Public Sector Compensation Disclosure Act.

### *Management's Responsibility for the Statement*

Management is responsible for the preparation of the Statement in accordance with the provisions of The Public Sector Compensation Disclosure Act, and for such internal control as management determines is necessary to enable the preparation of the Statement that is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the Statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial information in the Statement of Public Sector Compensation Disclosure of the Brandon Regional Health Authority for the year ended December 31, 2010, is prepared in accordance with the provisions of The Public Sector Compensation Disclosure Act.
